Process:

1. To have a sign put up at the facility, the sponsor must write to the BHMG Board, requesting a site on the fence, a drawing of the sign and confirming a one or 3 year contract.
2. Once approval has been given by the Board, the sponsor will be invoiced for the sign location, design and term.
3. Once payment has been made the approved sign can be made and placed in the appropriate site on the fence.
4. The cost to produce, repair or replace any sign is at the sponsors cost.
5. Any sign not paid for will be removed from the fence.

No sponsorship signs are to be located on the buildings.
